

## Let's Talk

*Photo: Legislator Hahn speaks to community members during a 2015 meeting held in South Setauket.*

I have scheduled two community meetings with Brookhaven Town Councilwoman Valerie Cartright during the month of June for our neighbors throughout the district. These participant oriented gatherings are intended to provide our community with an opportunity to share their thoughts with us about neighborhood related issues.

The meetings will be held on:

**Tuesday, June 7<sup>th</sup> • 6:00PM**  
Comsewogue Public Library  
Community Room  
170 Terryville Road  
Port Jefferson Station

**Tuesday, June 14<sup>th</sup> • 6:00PM**  
Minnesauke Elementary School  
21 Highgate Drive  
East Setauket

We want to hear from residents across this district on the issues that concern them and what they ultimately want the future of our community to be. We want to hear from all of you, so we can best represent your interests every day.

## SCPD Launches New Telephone Reporting Service

*New program frees up police resources for emergencies while allowing residents to report incidents directly with officers.*

The Suffolk County Police Department has begun providing an innovative new telephone reporting option for residents who wish to file a non-emergency police report. The new program dubbed T-Serve is expected to facilitate documentation of non-critical incidents over the phone while allowing patrol officers to respond more quickly to emergencies and other situations that require police response.

The T-Serve Unit operates during peak hours, between 8 a.m. to 6 p.m., seven days a week. Residents are encouraged to call 631-852-COPS for non-emergency calls that do not require a face-to-face meeting with a police officer. These callers will then be connected to a T-Serve Unit officer who will

take the necessary information to generate a police report for the complainant.

Included in the types of reports that can be taken by the T-Serve Unit are reports of lost or stolen property where a police report is needed to process an insurance claim as well as criminal and non-criminal incidents that occurred in the past such as harassment, identity theft, vandalism, petit larceny and prior motor vehicle crashes with no injuries.

If any follow-up action is needed, the report will be forwarded to the appropriate investigative command and the complainant will be contacted.

In the future, the department has plans to expand this service online to allow reports to be made over the Internet.
